CORRECTION

Medicaid (MA) and BadgerCare (BC) participants will be able to complete program recertification by mail at any review. As stated in OM 99-16, a face-to-face review is no longer required for any type of Medicaid.

BWSP Operations Memo 99-76, page 1, item 2 under "Purpose" is incorrect. That **incorrect** version reads:

2. *MA and BC participants will be able to use the mail-in recertification process at any review as long as one face-to-face recertification is done every 12 months.*

To be **correct**, it should have stated:

2. *MA and BC participants will be able to use the mail-in recertification process at any review.*

Please alert your staff to this correction. We apologize for this confusion.
